WELCOME BACK!

We would like to welcome back everyone at Heathcot as well as the new children starting this term.

We hope you had a wonderful holiday and a great start to the New Year!

DATES TO REMEMBER!

- Closing for half term – Friday 14th Feb 2020
- Reopening on Wednesday 26th Feb 2020

Parents Workshop

Thank you to all the parents that attended our parent's workshop. We've had excellent feedback from you all 😊

We had over 84% of parents that attended and 98% of these parents found the workshop useful and will apply the ideas and activities at home.

Please use resources provided. We would love to see pictures uploaded on tapestry.

Waiting List

If you have another child that you want to send to Heathcot in September 2020, please can you put them on the waiting list by registering them on: www.heathcotpreschool.co.uk/application

Flu

Please find attached information on flu-like symptoms and how to get a free flu vaccine for your child.

Healthy Eating and Oral Health

At Heathcot we encourage children to follow our guidelines to eating healthy. Please do not pack sweets, chocolate bars, etc. in their lunch boxes and try not to put too much in their lunchbox, a small sandwich (even half), water / milk and a pudding is plenty!

Liverpool Council produce some very good interactive resources on sugar content in foods and drinks and you might find useful on this link.

Toothbrushing programme

From last year we have been working with Greater Manchester Toothbrushing Programme to strengthen children's teeth and help reduce tooth decay.

As part of this scheme we will supervise children using their very own tooth brush and a fluoride toothpaste at preschool. New joiners will be receiving dental packs to carry out at home to reinforce your child's toothbrushing routine.

You will be given letters seeking consent for your child to take part in this activity at preschool.
